

# St. John of the Cross Confirmation Name-Saint Name Due January Session

For the sacrament of Confirmation, each candidate must choose a saint who can be a role model to walk on your faith journey with. The life of the saint whom you choose should help guide you toward a closer relationship with God through their example. You may choose your own baptismal name as your Confirmation name or select another saint of your choice.

Please choose a saint whose traits you admire and whose life story encourages you. On a separate sheet of paper, type the report of the saint whose name you have chosen. **Your saint report should be stapled to this sheet.** Indicate the resources that you used.
